

IT'S NOT TOO EARLY TO MAKE PLANS

MINUTECUB AND PATRIOT MUSTER 2018

JUNE 24TH, 2018

A Cub Scout MinuteCub Muster (Copy and Paste this Link for PROMO VIDEO <https://youtu.be/vGNUKCbJvUg>) is a daylong event focusing on the American Revolution: the armies, the Patriots, and the trades. The MinuteCub Muster is fun and exciting event which hides the interactive learning experience. The event is being held at the Longfellow Wayside Inn in Sudbury, Massachusetts on **June 24th, 2018** from 8AM to 5 PM.

In addition to touring a Continental Line Encampment, a British encampment and various encampments of the local Minutemen from various towns, the Minutecubs will also see blacksmiths, coopers, cobblers, tin mongers,

weavers, basket makers, a surgeon, apothecary, hewing, broomstick maker, canvas, pottery, joiner, miller, lace maker, soap making, candle stick making, gunsmith and other trades.

Minutecubs will talk with George Washington, Ben Franklin and John Adams – prior to signing the Declaration of Independence.. The MinuteCubs will throw tomahawks, pull cannons, march to the music of fife and drum, sample colonial cooking and participate in a turkey shoot.

The day ends with a battle re-enactment between the Americans and British; followed by the **world largest marshmallow food fight**. That's right – each Minutecub needs to have an air powered marshmallow firing imitation smooth bore flint lock musket.

Uniform of the day is a Class A shirt. Bring a lunch and something to drink. The whole family can attend.

MinuteCub Muster Cost Preliminary: Registration cost is \$50 per scout. Registration will be as a Pack. Tricorn hats can be pre-ordered for \$15 while supplies last. Muskets are \$20 each.
