Attention Parents of Boys and GIRLS in Peter Noyes Grades 1-5...

The Cub Scout program is a fun and educational experience concerned with core values. Besides providing a positive place where boys and girls can enjoy safe, wholesome activities, Cub Scouting focuses on building character, improving physical fitness, teaching practical skills, and developing a spirit of community service. It is fun for boys, girls, and the whole family.

**FAMILY SCOUTING** - New this year, girls are invited to join the Cub Scouts. If you always wanted to participate in Cub Scouts, now's your chance to join and head towards earning your Eagle Scout badge!

Sudbury Pack 62 has another year of exciting activities planned, including:

- Monthly Pack Meetings - Community Service, Roller Kingdom, Physical Fitness, Carnival, Blue and Gold Banquet, Team Building, and more!
